## SCHOOL STREET UPDATE – MARCH 2021

Dear Parents and Carers,

In advance of the return to school on Monday 8<sup>th</sup> March, Hounslow Council have asked me to pass on the following information about the School Street Scheme (which had been suspended during the most recent national lockdown):

*Following the government's announcement regarding the reopening of schools and return for all pupils, we wanted to confirm that we will be recommencing the enforcement of School Street schemes from Monday 8<sup>th</sup> March. A camera has been installed on Grove Park Terrace and another is pending implementation – we're just waiting for a new lamp column to be installed before this can be done. In the meantime, the School Street scheme will continue to be enforced by regular visits from our enforcement officers and a mobile camera car equipped with number plate recognition technology. Parents and staff are reminded that any unauthorised vehicles entering the zone during operational hours are liable to a penalty charge.*

*Please do share this update with parents and guardians and direct those eligible for an exemption to [this webpage](#) where there are instructions on how to exempt their vehicle.*

*School Streets are still in their trial phase and feedback on their use can be given at [Streetspace Feedback 2021 - London Borough of Hounslow](#)*

Kind regards,

Rachel Davies – Headteacher

Nightingale Close, Grove Park Terrace, Chiswick, London W4 3JN
