

Useful Reading List for all ages

The Centre for Literacy website has a range of book lists related to specific genres that your child might be interested in. These lists are free to download! *From: Women in Black History Booklists to Superhero Booklists, to Celebrating Kindness Booklists* - there is something for every child at Grove Park!

The lists are packed with a selection of quality children's books for all ages - from award-winners and the newest titles, to treasured classics.

Please find attached the link to all the downloadable lists:
