

## End of Key Stage Two Results 2022

This year the statutory KS2 SATS tests resumed after the COVID-19 pandemic. At Grove Park, we are so proud of our children's progress and every child's personal achievements.

Hounslow or National comparative data is not available this year, however it is wonderful to see that in 2022, we are now working (in both progress and attainment) at pre-pandemic percentages across all subjects and above Borough and National data from 2019. A huge well done to every child in Year 6.

Performance data from previous years can be found on the [DfE website](#).
